- Notes:
- Orient silk stripes horizontally on channel 61.
  - Consult with scenic for practical placement.
  - See paperwork for practical instrument types.
  - Have plenty of diffusion and neutral density on hand for focus.
  - See paperwork for template types.
  - Templates indicated on the paperwork may be swapped for similar templates in stock. Consult with the designer before making changes.
  - PAR 56's in channels 33-55 may be swapped for another instrument type in stock. Consult with the designer before making changes.
